

# DO YOU:

- ◆ Enjoy the OUTDOORS?
- ◆ Derive satisfaction from helping others?
- ◆ Enjoy being part of a team?
- ◆ Enjoy challenges?

**STAR1 Search and Rescue  
might be looking for YOU!**

**STAR1 Search and Rescue** is a professional volunteer team based in Story County, Iowa with members located across the state. We deploy certified search managers, search technicians, and K9 teams to all corners of Iowa to assist with missing person situations.

**DO YOU HAVE THE RIGHT STUFF?** Before you quit your day job, we should tell you there really is nothing glamorous about search and rescue work and no profit. We frequently search at night, in sub-zero weather or through poison ivy over our heads, using our own personal resources to do it. It won't bring you fame or fortune, just the satisfaction of helping someone in need.

**STILL INTERESTED?** We offer a Boot Camp for new members that will provide you with the training and skills you'll need to join our professional volunteer team.

**STAR 1**  
SEARCH & RESCUE

Boot Camp begins  
**AUGUST 06, 2011.**
